GREATER HAMILTON

$45.00

Location,

With four distinctive buildings offering one million square feet of prime office space, Jackson Square is decidedly "the location" in the heart of Hamilton.

We make it easy for you to do business at Jackson Square with the support of our building services team and the lawyers, accountants, financial institutions, brokerage houses, insurance firms, government services and corporate head offices which are already tenants of the Square.

Jackson Square is the location to work, the location to shop and the location to dine, entertain and relax. Tens of thousands of people do so daily.

Location,

In addition to the office buildings and retail complex, restaurants, food court, cinemas, fitness club, and underground parking for over 1,000 cars, Jackson Square is the indoor 'core connection' to the Hamilton Convention Centre, The Art Gallery, Hamilton Place Theatre, The Public Library, Farmers' Market, Copps Coliseum and the Sheraton Hotel.

Location.

Jackson Square's 250,000 square foot retail complex is currently enjoying a major multi-million dollar renovation – an indication of our commitment to the revitalization of downtown Hamilton.

For information on office and retail leasing opportunities in Hamilton's "city within a city" call Jim Thompson at 905/522-3501.

FINANCIAL CONCEPT GROUP

A personalized and informed approach to financial planning, investing and wealth management

For most people, the world of financial planning and investing is growing more confusing and complex. Mere access to unlimited information and a vast array of financial products is of little use without a clear understanding of how all of the pieces of the puzzle fit together.

"The goal of the advisors at Financial Concept Group is to assist our clients with the development of a personalized financial plan that will dramatically improve the likelihood of realizing their long-term financial goals" explains Rick Kennedy, managing partner of Financial Concept Group's Burlington office. "Our financial plans are developed by using a clear process of goal identification, strategy development and state of the art portfolio building methods using only the most advanced and proven financial products."

"We believe in building investment portfolios using a strategic asset allocation approach that always considers our clients risk tolerance and need for income and growth. The accumulation of real wealth takes time, hard work, discipline and astute management," explains Rick Kennedy, "and its preservation and protection deserves equal attention."

With more than 600 advisors in 60 branches across Canada, Financial Concept Group is one of the largest independent financial planning firms in the country, managing in excess of 6 billion dollars. This size gives the flexibility to best address the needs of its clients. In the integrated downtown Hamilton, Burlington, Ancaster, Limeridge Mall and east Hamilton Greenhill branches alone, some 35 advisors meet the needs of more than 12,000 investors every year, simultaneously planning for their future while taking care of current concerns.

"When it comes to implementing our financial plans, we have access to almost any financial product. Our independence allows us to select from literally thousands of different financial products," explains Don Bridgman, Managing Partner of Financial Concept Group's Hamilton office, "ensuring that our clients receive the best possible products available."

Financial Concept Group through its affiliation with Assante Corporation can now access proprietary wealth management products and services for higher net worth individuals. Wrap accounts and private client asset management programs are two of the fastest growing areas in wealth management and are becoming a more important part of Financial Concept Group's business.

The professionals at Financial Concept Group are well aware of the role that trust plays when dealing with a commodity as precious as one's financial savings. That means building a solid client investor relationship built on consistency, continuity, honesty and knowledge. Financial Concept Group understands that personally knowing and trusting the individual who handles your financial affairs can afford great peace of mind.

With one-on-one relationships a priority, the company tends to attract serious-minded people who have a decided interest in their current economic well-being as well as their future - clients who understand the value of enlisting the assistance of an expert advisor to cut through the often confusing world of financial products and services.

Hamilton ... home for 7000 Dofasco leaders

DOFASCO is one of North America's leading steelmakers with world-class operations in Canada and the United States. The cornerstone of our operations is Hamilton, home to more than 7,000 of our people.

DOFASCO'S approach to the steel business can be characterized by one word – ***Leadership.*** At Dofasco, we recognize and accept that with leadership comes *commitment* and *responsibility*.

DOFASCO is *committed* to Hamilton. During the 1990's, we have invested more than $1 billion in new facilities and equipment in Hamilton. Also during this period, Dofasco and our people have given more than $10 million to local post-secondary education, health care, arts and cultural organizations.

DOFASCO accepts *responsibility*. We were the first corporation in Canada to sign a voluntary Environmental Management Agreement and commit to air, water and waste emission improvements beyond federal and provincial requirements.

DOFASCO people care about Hamilton – our home.

DOFASCO

Our product is steel. Our strength is people.

...Our home is Hamilton

HAMILTON WENTWORTH CATHOLIC SCHOOL BOARD

Hamilton-Wentworth Catholic Schools

'Believing, Achieving, Serving'

21st Century Canada will need skilled workers, leaders with vision and men and women of character who can solve problems, seize opportunities and blaze new trails of excellence. Our schools focus on the spiritual, social and academic development of more than 28,000 students at 54 elementary schools and six secondary schools in Hamilton-Wentworth. Our graduates serve the community in a wide range of occupations/vocations. Since 1969, we have offered fully inclusive education, in neighbourhood schools, for special needs students, under our philosophy that 'Each Belongs'. We offer a wide range of programs, from Early Childhood Education through OAC (Ontario Academic Credits) as well as Continuing Education which includes a host of adult learning programs. For more information, please call the office of the Director of Education, 905-525-2930, ext. 2181

There is NO knowledge that is not power.
- Ralph Waldo Emerson (1803-1882)

Today, independent education is not the rigid, traditional private school setting of yesteryear. Instead, it is the vehicle through which students empower themselves, create opportunities and direct their own destinies. It is also more accessible than ever. HSC's balanced program of academics, arts, athletics and Information and Design Technology, develops and nurtures the individual needs of the students and promotes in-charge, self-directed learning.

A multi-denominational independent day school, HSC offers a progressive alternative for students in JK and Montessori 3 through OAC.

Fees include lunches and transportation for all full-day students.

The Mediterranean Awaits You

Something happens when you step into La Costa Restaurant. It may be the captivating ambiance, or how your chef creates a meal that takes you on a tour of a distant shore.

Your experience at La Costa will stay with you, till you return to see your new, old friends again. Our menu is influenced by the coastal regions of France, Italy and Spain.
